NOTE VERBALE DATED 14 JANUARY 1994 FROM THE PERMANENT REPRESENTATIVE
OF POLAND TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

The Permanent Representative of Poland to the United Nations presents his compliments to the Secretary-General and has the honour to convey the following communication received from the Government of Poland:

"Pursuant to Security Council resolution 883 (1993), the Government of Poland has the honour to report to the Secretary-General of the United Nations that administrative and legislative measures have been taken in order to meet the obligations set forth in paragraphs 3 to 7 of the above-mentioned resolution.

"At the same time, the Government of Poland wishes to emphasize that strict compliance with resolution 883 (1993) and its implementation will have a negative impact on the Polish economy, since the Libyan Arab Jamahiriya is a trading partner of Poland. Consequently, the Government of Poland would like to express its hope that the Security Council will consider appropriate measures to alleviate potential losses resulting from the implementation of the above-mentioned resolution in accordance with Article 50 of the Charter of the United Nations."
